Re : Town of Barre's Uniform Dwelling Code (UDC) ordinance, ordinance # 15-95

Dear Ms. Onsager:

Thank you for submitting a draft copy of the above ordinance for adoption of the UDC. This ordinance satisfies DILHR rules as stated in section ILHR 20.06 and is acceptable to the department. You must now retain the services of a DILHR certified inspector prior to any enforcement. If you already have such an inspector please inform our office. We would also request a certified copy of the ordinance after it is passed by the town board.

After you enact the ordinance and inform our office of your inspector; you may begin enforcement of the UDC using state permit forms, permit seals and procedures explained in ILHR Chapter 20. Your certified inspector will be familiar with this process.

I am attaching a copy of our materials order form and a copy of the certified inspector list. If you have any questions about your municipalities enforcement status please give me a call.

Sincerely,

A handwritten signature in black ink, appearing to read "Ergun I. Somersan", written over a horizontal line.
